GIVING BACK TO INDIA

Bob Williams is a familiar sight at our offices in Faber, Virginia. He stops by several times a year with gifts of fruit, Christmas breads lovingly made by his wife, and good cheer. He's all about giving back.

"My personal experience with The Monroe Institute began with the reading of Bob Monroe's books, ***Journeys Out-of-the Body***, ***Far Journeys***, *and* ***Ultimate Journey***. Bob found a path for himself. Any other person on the same search will have a starting place where their own road can become a reality. In the evolution of Being each person finds their own starting point. I've found mine."

Not long ago Bob's generosity extended to India. He quietly donated funds to assist Krish attend a Gateway Voyage. The two men have not met but they are deeply connected.

Bob explains, "I've just offered a little bit of 'help' to Krish over the years ...being on Social Security doesn't leave alot of room for generosity. I do what I can do."
